'Spinoff' publication highlights NASA commercial successes

The latest in NASA and Marshall Center innovations are featured in the 2001 issue of Spinoff magazine -- now available online. Nearly 50 commercialized products are featured in the issue. Since 1976, Spinoff has showcased more than 1,300 public benefits of NASA's commercial partnerships with private industry. The latest products are in health, medicine, transportation, public safety, computer and manufacturing technology and environment and resources management. To see the online edition of Spinoff, visit <http://www.sti.nasa.gov/tto/>
